

The Voice of the People

Spring Is All Around Us

And summer is just around the corner! The longest day of the year (and the first day of summer) is just three weeks away – June 21 - and for those of you who want to say “I was there” set your clock for 2:13 a.m. Can’t guarantee what you’ll see, but evidently that’s the time to be up and watching.

Please email the newsroom and let us know what exactly happens at that moment.

Clubhouse Q&A Rescheduled

The Reserve Committee is working ‘round the ‘clock to decipher and revise the latest draft Reserve Study (which incorporates several unexpected maintenance requirements arising from last Fall’s Envelope Study.) They are still a week or two away from having the data necessary to offer meaningful updates to information previously posted on the Kin Living portal (see April 25, 2022 post.)

Please stand by for more information. If you have specific questions for the Reserves Committee, the Chair can be reached here reserves@thequintet.org.

Four pickleball courts were recently added to our tennis courts.....two new 65” TV’s will soon be installed in the Fitness Center. Progress, like Spring, is all around us!

Landscape volunteers needed!

Fancy yourself talented with a wheelbarrow? Itching to show off your raking skills or shoveling prowess? Or perhaps you just want to learn more about how volunteers can reduce our landscape-related expenses....the Landscape Chair has put out a call for volunteers in re-distributing the wood chips generated from our recent winter storm clean-up. Weather permitting, Wednesday evenings (6:00-8:30 pm) and Saturday mornings (09:00 am -noon) will present volunteer opportunities. You don’t need to work for the entire period – come for an hour, or whatever you can spare.
